

Raccoon Creek Partnership's Owl Prowl 2021

February 1st - 3rd

This year's Owl Prowl is going to be different. Due to health and safety risks RCP can't have the Owl Prowl in person. Instead RCP will be giving out kits, so that participants can have an Owl Prowl from the comfort of their own homes. Kits will include an owl pellet, dissection tools, hot chocolate, owl id booklets, crafts, and coloring pages. Kits will be available for pick-up at multiple locations through-out the Raccoon Creek watershed. To learn more and request your own packet use this link: <https://forms.gle/7VBpfbz8QxHSbASf7>. Act fast! Owl Prowl kits are available while supplies last.
